Physical Bravery-2007

(The award was given away by H.E. the Governor of MP)

**Worthy experiences
in policing**

1) Anti Naxal Operations in Rajnand Gaon and Mandla, collectively for two years:

As SP RajnandGaon.

Working with a guerrilla warfare tactics got many naxals arrested. This training benefitted the force and they were able to thwart the armed naxal attack on police station churia of Rajnand Gaon. In this encounter three naxals were eliminated including their commander who had a reward of Rs 2Lakh for his arrest.

2) Disaster Management

Rescue, relief and rehabilitation operations in the event of disasters like flood, fire, accidents etc. A few incidents where I tried to avert and mitigate the disaster and also did post disaster operations for restoring peace and normalcy in the area.

A) As CSP, Ujjain:

I have the experience of managing the disaster of flood during my tenure as CSP, Ujjain. Many people were rescued and brought to safety.

B) As Commandant 32nd Btn.

Post disaster management at Mahakali Temple, stampede tragedy where many people died. A new practical secure security system was evolved.

Post disaster management of the drowning of about 60 and odd passengers along with bus in Narmada River, Nimawar, Dewas. Many dead bodies of pilgrims were salvaged out of a river in full flood.

C) As SP Khandwa

As SP, Khandwa I had the opportunity of successfully managing operations for rescue, relief and rehabilitation for the oustees of Mega Hydel Electrical Project, Indra Sagar Project commissioned at river Narmada. It was managed in co-ordination with the district authorities and the stake holder Narmada Hydel Development Corporation (NHDC) without any law and order problem or loss of human life, property and wild life.

As SP, Khandwa, I was directed to launch a rescue and relief operation in the neighbouring District Dewas where there was public agitation at its peak following this serious tragedy at religious place called Dharaji in Narmada River. I handled this Post disaster management of the incident of drowning of pilgrims. Dead bodies of many pilgrims were salvaged from the River Narmada which brought the

aggravating law and order situation under control.

D)As DIG Chambal Range

As DIG Chambal Range, I encountered a similar kind of River Tragedy. Post disaster management of the tragic drowning of pilgrims at religious place called Ratan Gargh Ki Mata Ka Mandir at River Narmada in District Datia was carried out by me and my team of dedicated men. Dead bodies of many pilgrims were salvaged from the deep and turbulent River Narmada which brought the aggravating law and order situation under control.

3) Law and Order Management

As SP, Khandwa I was sent for a special duty at Dhar a district in M.P.(communally hypersensitive) for maintaining law and order during Basant Panchami/Friday in 2006 at Bhoj Shala where there was severe communal tension over the issue of observing Namaj inside the Bhoj Shala.I was entrusted with the safety and security of Bhoj Shala premises / structure. Under **strategic leadership**, planning and **sustained evidence based policing** ,the police force managed to maintain the sanctity of the disputed archaeological site which had some similarity with the Ram Janam Bhumi and Babri Masjid of Ayodhya in U.P. in terms of its origin. Hence, the disaster of worst

proportion was averted.

4) Action against the SIMI networking

As SP Khandwa, an underground networking was unearthed with professional efforts. They were enrolling the young boys and girls as members of SIMI(Students Islamic Movement of India) for their communally disharmonic , anti- constitutional and anti India designs. A dozen accused were arrested in this case including tow ladies. The arrested were from Khandwa(M.P.), Burahan Pur and Kota(Rajasthan).

5) Anti Dacoits Operations

- i) A gang of dreaded dacoits was arrested with two of its hardcore dacoits eliminated in self defense in a fierce encounter in the district of Dewas.
- ii) Inter State dreaded dacoit gang which had unleashed a reign of terror in the state of Uttar Pradesh,Rajasthan and Madhya Pardeh was eliminated in self defense in a fierce encounter in the district Morena, Chambal Range, as a result of major anti dacoit operations where IG zone provided effective leadership.
